Luggie Scooter

The No.1 Travel Scooter

It also has a unique half-fold that makes for easy leverage into the boot. This makes it ideal not just for travel, but for a vibrant everyday life.

The Luggie is the number one travel scooter in the world. **It'll take you nearly anywhere.**

Lightweight lithium batteries give a range of up to 20kms between charges. It's easy to fold, easy to operate, and fully airline and cruise compliant.

There are 5 different Luggie models, each with multiple points of adjustment. Because of this, **there's a Luggie out there for just about everyone.**

The Elite A is the standard model. It has the base Luggie chassis, 10.5 a/h batteries, and over a decade of proven excellence.

The remaining four models all come with front suspension. They differ in body width and track width.

Choose one to fit your specific needs.
